Magnetic Resonance Imaging (MRI)

Headwaters received Ministry of Health approval for operational funding for an MRI in December 2022

What does this mean for our community?

Capital funding is required to purchase the unit

- The Ministry of Health provides operational funding, not the purchase of equipment or the facility renovations to house it.
- We have begun the purchase process for the physical unit, looking to our generous donors and community to support raising the funds needed.
- We are looking at a phased approach for implementation.
 - **Phase 1:** The implementation of an exterior, technical moveable building.
 - **Phase 2:** Final implementation of the **same MRI** within the existing facility.

Standard purchasing guidelines must be followed

- With 27 hospitals approved for MRI funding in Ontario, we are taking part in a multi-hospital RFP (request for proposal) to help manage costs and timely execution

Timelines for 'go live' are driven by additional Ministry approvals

- The Ministry of Health must approve the planning and installation of the MRI. We are working through the submissions for approval stages.

Activity and Timelines

What are the steps that will bring the MRI into operation at Headwaters?

1/3 Century of Your Support: \$1.3 Million!

Over 35 years, Dufferin County has provided great investment in its hospital:

1988

\$200,000 granted for medical equipment

1999

\$50,000 investment in the first CT scanner at our current site

2003

\$550,000 supporting the HealthQuest campaign to support new physician clinics

2014

\$500,000 to help build our new Ambulatory Care Centre, plus a fourth Operating Room, resulting in many new clinics, programs and services being much closer to our home!

Our Future is Smarter Together

- On June 21, we formally launched *SMART Headwaters*, an \$18 million campaign creating a smarter Headwaters Health Care Centre through investments in equipment and programs to enhance patient care for our community.
- *SMART Headwaters* is the next milestone in the growth of Headwaters Health Care Centre to meet the health care needs of our community with the best medical technology and expertise, close to home.
- MRI alone will enhance physician recruitment and each year will help us avoid sending 4,000 or more patients out of the region for the care they need.

Our Future is Smarter Together

As we consider all options to bring MRI services and care within our community, technical moveable buildings are a viable option.

- Structures meet all building code requirements
- Can be standalone or connected to the hospital
- Reduces construction time with fully constructed interiors
- The **same MRI within this system** would be relocated inside the hospital in a permanent location, as part of Phase 2 implementation.

... And More!

SMART Headwaters is...

- MRI
- Dialysis Expansion and Relocation
- New CT
- Nuclear Medicine Camera
- Nursing Education
- MEDITECH Expanse
- Tomosynthesis Mammography
- Surgical C-Arm

And more!

Progress to date: \$11,000,000

\$7 Million to Go...

Our Request

We respectfully request the Corporation of the County of Dufferin to consider a pledge of **\$750,000, over a period of up to three years, to support *SMART Headwaters*.**

Let's bring MRI, expanded dialysis and vital health technology to Headwaters Health Care Centre, together!

Report To: Chair White and Members of the Health and Human Services
Committee

Meeting Date: June 22, 2023

Subject: 2023/24 Multi Sector Service Accountability Agreement (MSAA)

From: Brenda Wagner, Administrator

Recommendation

THAT the report of the Administrator, dated June 22, 2023, regarding the Multi Sector Service Accountability Agreement, be received;

AND THAT the County of Dufferin signs the Service Accountability Agreement with the Central West Region for the period April 1, 2023 to March 31, 2024.

Executive Summary

Ministry funding for the services provided by Dufferin County Community Support Services currently flows through the Central Region of Ontario Health to the County of Dufferin. In order to receive this funding, the County enters into a Multi Sector Service Accountability Agreement (MSAA) with Ontario Health.

Background & Discussion

The Multi Sector Service Accountability Agreement (MSAA) outlines the responsibilities that each Health Service Provider (HSP) undertakes in order to receive funding to provide service. While the last amending agreement focused on language changes transitioning the Local Health Integration Networks (LHIN) to Ontario Health, this agreement includes changes to local area obligations, legislative references and financial indicators.

Changes include:

Legislation related changes:

The 2023/24 MSAA has adjusted references to reflect provincial organizational changes (e.g. references to Local Health Integration Networks (LHINs) now reflect Ontario Health, etc.), as well as legislative changes that have taken place since the last agreement (e.g. references to Local Health System Integration Act, 2006 (LHISIA) adjusted to Connecting Care Act, 2019, etc.).

There has been an addition to the MSAA Provision of Services language which permits the withdrawal of services when there is a significant risk of physical harm to the individual providing services.

Financial indicator changes:

For the MSAA, based on feedback regarding challenges in the reliability and methodology of the indicator, *the % of budget spent on administration* indicator has been removed. Should a concern be identified on this topic, as per current state, Ontario Health regions will work with HSPs to understand and address the concern as appropriate.

Approach to Local Obligations:

In 2023/24, Ontario Health will establish common goals, based on strategic priorities. This will replace prior local obligations. The goals will be consistently reflected in local obligations, with flexibility in the specific obligations to address those needs, based on the local context. The three common local obligation goals relevant to Community Support Services are to:

- Improve Access and Flow by reducing Alternate Level of Care beds (ALC)
- Advance Indigenous Health Strategies and Outcomes
- Advance Equity, Inclusion, Diversity, and Anti-Racism Strategies to Improve Health

Financial, Staffing, Legal, or IT Considerations

The MSAA must be signed in order to receive Ministry of Health Funding.

In Support of Strategic Plan Priorities and Objectives

Governance - identify opportunities to improve governance and service delivery/
improve the County's internal and external communication

- (b) **On Termination or Expiration of this Agreement.** Upon termination or expiry of this Agreement and subject to section 11.4, the Funder will require the repayment of any Funding remaining in the possession or under the control of the HSP and the payment of an amount equal to any Funding the HSP used for purposes not permitted by this Agreement. The Funder will act reasonably and will consider the impact, if any, that a recovery of Funding will have on the HSP's ability to meet its obligations under this Agreement.
- (c) **On Reconciliation and Settlement.** If the year-end reconciliation and settlement process demonstrates that the HSP received Funding in excess of its confirmed funds, the Funder will require the repayment of the excess Funding.
- (d) **As a Result of Performance Management or System Planning.** If Services are adjusted, as a result of the performance management or system planning processes, the Funder may take one or more of the following actions:

- 5.3 **Process for Recovery of Funding.** If the Funder, acting reasonably, determines that a recovery of Funding under section 5.1 is appropriate, then the Funder will give 30 Days' Notice to the HSP.

The Notice will describe:

- (a) the amount of the proposed recovery;

- (d) the reasons for the recovery; and
- (e) the amendments, if any, that the Funder proposes be made to the HSP's obligations under this Agreement.

Where the HSP disputes any matter set out in the Notice, the parties will discuss the circumstances that resulted in the Notice and the HSP may make representations to the Funder about the matters set out in the Notice within 14 Days of receiving the Notice.

The Funder will consider the representations made by the HSP and will advise the HSP of its decision. Funding recoveries, if any, will occur in accordance with the timing set out in the Funder's decision. No recovery of Funding will be implemented earlier than 30 Days after the delivery of the Notice.

- (a) Settlement and Recovery of Funding for Prior Years.
 - (1) The HSP acknowledges that settlement and recovery of Funding can occur up to 7 years after the provision of Funding.
- (b) Recognizing the transition of responsibilities from the Ministry to the Funder, the HSP agrees that if the parties are directed in writing to do so by the Ministry, the Funder will settle and recover funding provided by the Ministry to the HSP prior to the transition of the Funding for the Services to the Funder, provided that such settlement and recovery occurs within 7 years of the provision of the funding by the Ministry. All such settlements and recoveries will be subject to the terms applicable to the original provision of Funding.

5.4 **Debt Due.**

- a) If the Funder requires the re-payment by the HSP of any Funding, the amount required will be deemed to be a debt owing to the Crown by the HSP. The Funder may adjust future funding instalments to recover the amounts owed or may, at its discretion direct the HSP to pay the amount owing to the Crown and the HSP shall comply immediately with any such direction.

- b) All amounts repayable to the Crown will be paid by cheque payable to the “Ontario Minister of Finance” and mailed or delivered to the Funder at the address provided in section 12.1.

ARTICLE 6 - PLANNING & INTEGRATION

6.1 Planning for Future Years.

- (a) **Advance Notice.** The Funder will give at least 60 Days’ Notice to the HSP of the date by which a CAPS must be submitted to the Funder.
- (b) **Multi-Year Planning.** The CAPS will be in a form acceptable to the Funder and may be required to incorporate:
 - (1) prudent multi-year financial forecasts;
 - (2) plans for the achievement of Performance Targets; and
 - (3) realistic risk management strategies.

If the Funder has provided multi-year planning targets for the HSP, the CAPS will reflect the planning targets.

- (c) **Multi-year Planning Targets.** Schedule A may reflect an allocation for the first Funding Year of this Agreement as well as planning targets for up to two additional years, consistent with the term of this Agreement. In such an event,
 - (19) the HSP acknowledges that if it is provided with planning targets, these targets:
 - a. are targets only,
 - b. are provided solely for the purposes of planning,
 - c. are subject to confirmation, and
 - d. may be changed at the discretion of the Funder in consultation with the HSP.

The HSP will proactively manage the risks associated with multi-year planning and the potential changes to the planning targets; and

- (20) the Funder agrees that it will communicate any changes to the planning targets as soon as reasonably possible.
- (d) **Service Accountability Agreements.** The HSP acknowledges that if the Funder and the HSP enter into negotiations for a subsequent service accountability agreement, subsequent funding may be interrupted if the next service accountability agreement is not executed on or before the expiration date of this Agreement.

6.2 Community Engagement & Integration Activities.

- (a) **Community Engagement.** The HSP will engage the community of diverse persons and entities in the area where it provides health services when setting priorities for the delivery of health services and when developing plans for submission to the Funder including but not limited to CAPS and integration proposals. 6.3 Planning and Integration Activity Pre-proposals.

- (a) **General.** A pre-proposal process has been developed to: (A) reduce the costs incurred by an HSP when proposing operational or service changes; (B) assist the HSP to carry out its statutory obligations; and (C) enable an effective and efficient response by the Funder. Subject to specific direction from the Funder, this pre-proposal process will be used in the following instances:
 - (21) the HSP is considering an integration or an integration of services, as defined in the Enabling Legislation between the HSP and another person or entity;
 - (22) the HSP is proposing to reduce, stop, start, expand or transfer the location of services, which for certainty includes: the transfer of services from the HSP to another person or entity anywhere; and the relocation or transfer of services from one of the HSP's sites to another of the HSP's sites anywhere;
 - (23) to identify opportunities to integrate the services of the health system, other than those identified in (A) or (B) above; or
 - (24) if requested by the Funder.
- (b) **Funder Evaluation of the Pre-proposal.** Use of the pre-proposal process is not formal Notice of a proposed integration under the Enabling Legislation. Funder consent to develop the project concept outlined in a pre-proposal does not constitute approval to proceed with the project. Nor does the Funder consent to develop a project concept presume the issuance of a favourable decision, should such a decision be required by the Enabling Legislation. Following the Funder's review and evaluation, the HSP may be invited to submit a detailed proposal and a business plan for

further analysis. Guidelines for the development of a detailed proposal and business case will be provided by the Funder.

- 6.4 **Proposing Integration Activities in the Planning Submission.** No integration activity described in section 6.3 may be proposed in a CAPS unless the Funder has consented, in writing, to its inclusion pursuant to the process set out in section 6.3(b).

 - (28) address any other issue or matter the party wishes to raise with the other party.
- (b) The recipient party will provide a written acknowledgment of receipt of the Notice within 7 Days of the date on which the Notice was received (“Date of the Notice”).

 - (30) the conduct of a Review;
 - (31) an amendment of the HSP's obligations;
 - (32) an in-year, or year-end, adjustment to the Funding,among other possible means of responding to the Performance Factor or improving performance.
- (b) Any performance improvement process begun under a prior service accountability agreement that was not completed under the prior agreement will continue under this Agreement. Any performance improvement required by a Funder under a prior service accountability agreement will be deemed to be a requirement of this Agreement until fulfilled or waived by the Funder.

7.5 Factors Beyond the HSP's Control. Despite the foregoing, if the Funder, acting reasonably, determines that the Performance Factor is, in whole or in part, a Factor Beyond the HSP's Control:

- (a) the Funder will collaborate with the HSP to develop and implement a mutually agreed upon joint response plan which may include an amendment of the HSP's obligations under this Agreement;
- (b) the Funder will not require the HSP to prepare an Improvement Plan; and
- (c) the failure to meet an obligation under this Agreement will not be considered a breach of this Agreement to the extent that failure is caused by a Factor Beyond the HSP's Control.

ARTICLE 8 – REPORTING, ACCOUNTING AND REVIEW

8.1 Reporting.

- (a) **Generally.** The Funder's ability to enable the health system to provide appropriate, co-ordinated, effective and efficient health services, is heavily dependent on the timely collection and analysis of accurate information. The HSP acknowledges that the timely provision of accurate information related to the HSP, and its performance of its obligations under this Agreement, is under the HSP's control.
- (b) **Specific Obligations.** The HSP:
 - (33) will provide to the Funder, or to such other entity as the Funder may direct, in the form and within the time specified by the Funder, the

- (c) **French Language Services.** If the HSP is required to provide services to the public in French under the provisions of the FLSA, the HSP will be required to submit a French language services report to the Funder. If the HSP is not required to provide services to the public in French under the provisions of the FLSA, it will be required to provide a report to the Funder that outlines how the HSP addresses the needs of its local Francophone community.
- (d) **CEO Changes.** The HSP will immediately notify the Funder if it becomes aware that the HSP's CEO will depart the organization.

The form of the declaration is set out in Schedule F and may be amended by the Funder from time to time through the term of this Agreement.

0.02 percent (0.02%) of the Funding; or (2) two hundred and fifty dollars (\$250.00); and

(42) for every full or partial week of non-compliance thereafter, the rate will be one half of the initial reduction.

8.2 **Reviews.**

- (a) During the term of this Agreement and for 7 years after the term of this Agreement, the HSP agrees that the Funder or its authorized representatives may conduct a Review of the HSP to confirm the HSP's fulfillment of its obligations under this Agreement. For these purposes the Funder or its authorized representatives may, upon 24 hours' Notice to the HSP and during normal business hours enter the HSP's premises to:

- (b) The cost of any Review will be borne by the HSP if the Review: (1) was made necessary because the HSP did not comply with a requirement under the Enabling Legislation or this Agreement; or (2) indicates that the HSP has not fulfilled its obligations under this Agreement, including its obligations under Applicable Law and Applicable Policy.
- (c) To assist in respect of the rights set out in (a) above, the HSP shall disclose any information requested by the Funder or its authorized representatives and shall do so in a form requested by the Funder or its authorized representatives.

- (e) it does, and will continue for the term of this Agreement to, operate in compliance with all Applicable Law and Applicable Policy, including observing where applicable, the requirements of the *Corporations Act* or successor legislation and the HSP's by-laws in respect of, but not limited to, the holding of board meetings, the requirements of quorum for decision-making, the maintenance of minutes for all board and committee meetings and the holding of members' meetings.

9.3 **Governance.**

- (a) The HSP represents, warrants and covenants that it has established, and will maintain for the period during which this Agreement is in effect, policies and procedures:

 - (51) to enable the preparation, approval and delivery of all Reports;
 - (52) to address complaints about the provision of Services, the management or governance of the HSP; and
 - (53) to deal with such other matters as the HSP considers necessary to ensure that the HSP carries out its obligations under this Agreement.
- (b) The HSP represents and warrants that:
 - (54) it has, or will have within 60 Days of the execution of this Agreement, a Performance Agreement with its CEO that ties a reasonable portion of the CEO's compensation plan to the CEO's performance;

ARTICLE 10 – LIMITATION OF LIABILITY, INDEMNITY & INSURANCE

10.1 **Limitation of Liability.** The Indemnified Parties will not be liable to the HSP or any of the HSP's Personnel and Volunteers for costs, losses, claims, liabilities and damages howsoever caused arising out of or in any way related to the Services or otherwise in connection with this Agreement, unless caused by the negligence or wilful act of any of the Indemnified Parties.

10.2 **Ibid.** For greater certainty and without limiting section 10.1, the Funder is not liable for how the HSP and the HSP's Personnel and Volunteers carry out the Services and is therefore not responsible to the HSP for such Services. Moreover, the Funder is not contracting with or employing any HSP's Personnel and Volunteers to carry out the terms of this Agreement. As such, it is not liable for contracting with, employing or terminating a contract with or the employment of any HSP's Personnel and Volunteers required to carry out this Agreement, nor for the withholding, collection or payment of any taxes, premiums, contributions or any other remittances due to government for the HSP's Personnel and Volunteers required by the HSP to carry out this Agreement.

10.3 **Indemnification.** The HSP hereby agrees to indemnify and hold harmless the Indemnified Parties from and against any and all liability, loss, costs, damages and expenses (including legal, expert and consultant costs), causes of action, actions, claims, demands, lawsuits or other proceedings (collectively, the "Claims"), by whomever made, sustained, brought or prosecuted (including for third party bodily injury (including death), personal injury and property damage), in any way based upon, occasioned by or attributable to anything done or omitted to be done by the HSP or the HSP's Personnel and Volunteers, in the course of the performance of the HSP's obligations under, or

otherwise in connection with, this Agreement, unless caused by the negligence or willful misconduct of any Indemnified Parties.

10.4 Insurance.

- (a) **Generally.** The HSP shall protect itself from and against all Claims that might arise from anything done or omitted to be done by the HSP and the HSP's Personnel and Volunteers under this Agreement and more specifically all Claims that might arise from anything done or omitted to be done under this Agreement where bodily injury (including personal injury), death or property damage, including loss of use of property is caused.
- (b) **Required Insurance.** The HSP will put into effect and maintain, with insurers having a secure A.M. Best rating of B+ or greater, or the equivalent, all necessary and appropriate insurance that a prudent person in the business of the HSP would maintain, including, but not limited to, the following at its own expense:
 - (60) Commercial General Liability Insurance, for third party bodily injury, personal injury and property damage to an inclusive limit of not less than 2 million dollars per occurrence and not less than 2 million dollars products and completed operations aggregate. The policy will include the following clauses:
 - a. The Indemnified Parties as additional insureds;

- (c) **Certificates of Insurance.** The HSP will provide the Funder with proof of the insurance required by this Agreement in the form of a valid certificate of insurance that references this Agreement and confirms the required coverage, on or before the commencement of this Agreement, and renewal replacements on or before the expiry of any such insurance. Upon the request of the Funder, a copy of each insurance policy shall be made available to it. The HSP shall ensure that each of its subcontractors obtains all the necessary and appropriate insurance that a prudent person in the business of the subcontractor would maintain and that the Indemnified Parties are named as additional insureds with respect to any liability arising in the course of performance of the subcontractor's obligations under the subcontract.

ARTICLE 11 - TERMINATION AND EXPIRY OF AGREEMENT

11.1 Termination by the Funder.

- (a) **Without Cause.** The Funder may terminate this Agreement at any time, for any reason, upon giving at least 60 Days' Notice to the HSP.
- (b) **Where No Appropriation.** If, as provided for in section 4.3, the Funder does not receive the necessary funding from the Ministry, the Funder may terminate this Agreement immediately by giving Notice to the HSP.
- (c) **For Cause.** The Funder may terminate all or part of this Agreement immediately upon giving Notice to the HSP if:
- (65) in the opinion of the Funder:
- a. the HSP has knowingly provided false or misleading information regarding its funding request or in any other communication with the Funder;
 - b. the HSP breaches any material provision of this Agreement;
 - c. the HSP is unable to provide or has discontinued all or part of the Services; or
 - d. it is not reasonable for the HSP to continue to provide all or part of the Services;
- (66) the nature of the HSP's business, or its corporate status, changes so that it no longer meets the applicable eligibility requirements of the program under which the Funder provides the Funding;
- (67) the HSP makes an assignment, proposal, compromise, or arrangement for the benefit of creditors, or is petitioned into bankruptcy, or files for the appointment of a receiver; or
- (68) the HSP ceases to carry on business.

- (d) **Material Breach.** A breach of a material provision of this Agreement includes, but is not limited to:
 - (69) misuse of Funding;
 - (70) a failure or inability to provide the Services as set out in the Service Plan;
 - (71) a failure to provide the Compliance Declaration;
 - (72) a failure to implement, or follow, a Performance Agreement, one or more material requirements of a Performance Improvement Process or of a Transition Plan;
 - (73) a failure to respond to Funder requests in a timely manner;
 - (74) a failure to: A) advise the Funder of actual, potential or perceived Conflict of Interest; or B) comply with any requirements prescribed by the Funder to resolve a Conflict of Interest; and
 - (75) a Conflict of Interest that cannot be resolved.
- (e) **Transition Plan.** In the event of termination by the Funder pursuant to this section, the Funder and the HSP will develop a Transition Plan. The HSP agrees that it will take all actions, and provide all information, required by the Funder to facilitate the transition of the HSP's clients.

11.2 Termination by the HSP.

- (a) The HSP may terminate this Agreement at any time, for any reason, upon giving 6 months' Notice (or such shorter period as may be agreed by the HSP and the Funder) to the Funder provided that the Notice is accompanied by:
 - (76) satisfactory evidence that the HSP has taken all necessary actions to authorize the termination of this Agreement; and
 - (77) a Transition Plan, acceptable to the Funder, that indicates how the needs of the HSP's clients will be met following the termination and how the transition of the clients to new service providers will be effected within the six-month Notice period.
- (b) In the event that the HSP fails to provide an acceptable Transition Plan, the Funder may reduce Funding payable to the HSP prior to termination of this Agreement to compensate the Funder for transition costs.

11.3 Opportunity to Remedy.

- (a) **Opportunity to Remedy.** If the Funder considers that it is appropriate to allow the HSP an opportunity to remedy a breach of this Agreement, the Funder may give the HSP an opportunity to remedy the breach by giving the HSP Notice of the particulars of the breach and of the period of time within which the HSP is required to remedy the breach. The Notice will also advise the HSP that the Funder may terminate this Agreement:

(78) at the end of the Notice period provided for in the Notice if the HSP fails to remedy the breach within the time specified in the Notice; or

(79) prior to the end of the Notice period provided for in the Notice if it becomes apparent to the Funder that the HSP cannot completely remedy the breach within that time or such further period of time as the Funder considers reasonable, or the HSP is not proceeding to remedy the breach in a way that is satisfactory to the Funder.

(b) **Failure to Remedy.** If the Funder has provided the HSP with an opportunity to remedy the breach, and:

(80) the HSP does not remedy the breach within the time period specified in the Notice;

(81) it becomes apparent to the Funder that the HSP cannot completely remedy the breach within the time specified in the Notice or such further period of time as the Funder considers reasonable; or

(82) the HSP is not proceeding to remedy the breach in a way that is satisfactory to the Funder,

then the Funder may immediately terminate this Agreement by giving Notice of termination to the HSP.

11.4 **Consequences of Termination.** If this Agreement is terminated pursuant to this Article, the Funder may:

- (a) cancel all further Funding instalments;
- (b) demand the repayment of any Funding remaining in the possession or under the control of the HSP;
- (c) through consultation with the HSP, determine the HSP's reasonable costs to wind down the Services; and
- (d) permit the HSP to offset the costs determined pursuant to section (c), against the amount owing pursuant to section (b).

11.5 **Effective Date.** Termination under this Article will take effect as set out in the Notice.

11.6 **Corrective Action.** Despite its right to terminate this Agreement pursuant to this Article, the Funder may choose not to terminate this Agreement and may take whatever corrective action it considers necessary and appropriate, including suspending Funding for such period as the Funder determines, to ensure the successful completion of the Services in accordance with the terms of this Agreement.

11.7 **Expiry of Agreement.** If the HSP intends to allow this Agreement to expire at the end of its term, the HSP will provide 6 months' Notice (or such shorter period as may be agreed by the HSP and the Funder) to the Funder, along with a Transition Plan, acceptable to the Funder, that indicates how the needs of the HSP's clients will be met following the expiry

and how the transition of the clients to new service providers will be effected within the 6-month Notice period.

- 11.8 **Failure to Provide Notice of Expiry.** If the HSP fails to provide the required 6 months' Notice that it intends to allow this Agreement to expire, or fails to provide a Transition Plan along with any such Notice, this Agreement shall automatically be extended and the HSP will continue to provide the Services under this Agreement for so long as the Funder may reasonably require to enable all clients of the HSP to transition to new service providers.

ARTICLE 12 - NOTICE

- 12.1 **Notice.** A Notice will be in writing; delivered personally, by pre-paid courier, by any form of mail where evidence of receipt is provided by the post office, or by facsimile with confirmation of receipt, or by email where no delivery failure notification has been received. ARTICLE 13 – ADDITIONAL PROVISIONS

- 13.1 **Interpretation.** In the event of a conflict or inconsistency in any provision of this Agreement, the main body of this Agreement will prevail over the Schedules.
- 13.2 **Invalidity or Unenforceability of Any Provision.** The invalidity or unenforceability of any provision of this Agreement will not affect the validity or enforceability of any other provision of this Agreement and any invalid or unenforceable provision will be deemed to be severed.
- 13.3 **Waiver.** A party may only rely on a waiver of the party's failure to comply with any term of this Agreement if the other party has provided a written and signed Notice of waiver. Any waiver must refer to a specific failure to comply and will not have the effect of waiving any subsequent failures to comply.
- 13.4 **Parties Independent.** The parties are and will at all times remain independent of each other and are not and will not represent themselves to be the agent, joint venturer, partner or employee of the other. No representations will be made or acts taken by either party which could establish or imply any apparent relationship of agency, joint venture, partnership or employment and neither party will be bound in any manner whatsoever by any agreements, warranties or representations made by the other party to any other person or entity, nor with respect to any other action of the other party.
- 13.5 **Funder is an Agent of the Crown.** The parties acknowledge that the Funder is an agent of the Crown and may only act as an agent of the Crown in accordance with the provisions of the Enabling Legislation. Notwithstanding anything else in this Agreement, any express or implied reference to the Funder providing an indemnity or any other form of indebtedness or contingent liability that would directly or indirectly increase the indebtedness or contingent liabilities of the Funder or of Ontario, whether at the time of execution of this Agreement or at any time during the term of this Agreement, will be void and of no legal effect.
- 13.6 **Express Rights and Remedies Not Limited.** The express rights and remedies of the Funder are in addition to and will not limit any other rights and remedies available to the Funder at law or in equity. For further certainty, the Funder has not waived any provision of any applicable statute, including the Enabling Legislation, nor the right to exercise its rights under these statutes at any time.
- 13.7 **No Assignment.** The HSP will not assign this Agreement or the Funding in whole or in part, directly or indirectly, without the prior written consent of the Funder. No assignment or subcontract shall relieve the HSP from its obligations under this Agreement or impose any liability upon the Funder to any assignee or subcontractor. The Funder may assign this Agreement or any of its rights and obligations under this Agreement to any one or

more agencies or ministries of His Majesty the King in right of Ontario and as otherwise directed by the Ministry.

- 13.8 **Governing Law.** This Agreement and the rights, obligations and relations of the parties hereto will be governed by and construed in accordance with the laws of the Province of Ontario and the federal laws of Canada applicable therein. Any litigation arising in connection with this Agreement will be conducted in Ontario unless the parties agree in writing otherwise.
- 13.9 **Survival.** The provisions in Articles 1.0, 5.0, 8.0, 9.5, 10.0, 12.0, 13.0 and 14.0 will continue in full force and effect for a period of seven years from the date of expiry or termination of this Agreement.
- 13.10 **Further Assurances.** The parties agree to do or cause to be done all acts or things necessary to implement and carry into effect this Agreement to its full extent.
- 13.11 **Amendment of Agreement.** This Agreement may only be amended by a written agreement duly executed by the parties.
- 13.12 **Counterparts.** This Agreement may be executed in any number of counterparts, each of which will be deemed an original, but all of which together will constitute one and the same instrument.
- 13.13 **Insignia and Logos.** The HSP shall not use any insignia or logo of His Majesty the King in right of Ontario, including those of the Funder, unless it has received the prior written permission of the Funder to do so.

ARTICLE 14 - ENTIRE

- 14.1 **Entire Agreement.** This Agreement forms the entire Agreement between the parties and supersedes all prior oral or written representations and agreements, except that where the Funder has provided Funding to the HSP pursuant to the April 1, 2019-March 31, 2022 Multi-Sector Accountability Agreement, or amendment thereto, or a prior multi-sector accountability agreement, or amendment thereto, between the HSP and a local health integration network or Funder or to this Agreement, whether by Project Funding Agreement or otherwise, and an amount of Funding for the same purpose is set out in the Schedules, that Funding is subject to all of the terms and conditions on which funding for that purpose was initially provided, unless those terms and conditions have been superseded by any terms or conditions of this Agreement or by the MSAA Indicator Technical Specifications document, or unless they conflict with Applicable Law or Applicable Policy.

Report To: Chair White and Members of the Health and Human Services Committee

Meeting Date: June 22, 2023

Subject: Community Safety and Well-Being Plan 2022 Annual Report

From: Anna McGregor, Director of Community Services

Recommendation

That the report of the Director, Community Services, titled Community Safety and Well-Being Plan 2022 Annual Report dated June 22, 2023, be received;

AND THAT staff be directed to forward the annual report to each lower tier municipalities for their review;

AND THAT Council approve up to \$15,000 to be set aside from the Rate Stabilization Reserve, in 2023, to continue to assist with ongoing engagement, administration and data gathering costs for the plan.

Executive Summary

The Community Safety and Well-Being Plan (CSWB) 2022 Annual Report provides a highlight of key activities and accomplishments of the CSWB Integration Table and Priority Area Working Groups during the 2022 calendar year. Despite the ongoing challenges still present with the pandemic, the CSWB Integration Table and its partners moved forward on all its priority areas.

Background and Discussion

The Provincial Government enacted legislation through the Comprehensive Ontario Police Services Act, 2019, requiring municipal governments to adopt Community Safety and Well-Being (CSWB) plans. Following approval at both the County and lower tier levels, the first Dufferin County Community Safety and Well-Being Plan (2021-2024) was submitted to the Office of the Solicitor General on June 16, 2021.

For the original plan, see HHS 2021-04-22 Community Safety and Well-Being Plan Update 3 and for the first annual report see HHS 2022-06-23 Community Safety and Well-Being Plan 2021 Annual Report.

The second year of the work focused on more engagement with the Lead Tables and the lower tier municipalities, to raise awareness and bring more parties to the work. Gathering data remained challenging as many agencies worked to deal with the impacts of COVID and many experienced considerable staff turnover. Despite the challenges posed by the COVID pandemic, work did continue in the priority areas.

Moving Forward

The Community Well-being Index is a federal tool used to measure CSWB. This index has limitations at the local level. In the first year of CSWB implementation, the Integration Table and partners took the initiative to measure data from a local survey and local data.

Looking ahead, to Year 3 (2023) of this work, the Integration Table and its partners are conducting another survey with a focus on local community data and are exploring options for a data dashboard. These actions are strongly aligned with the "Community" priority identified in the Dufferin County 2023-2026 Strategic Plan. CSWB work has been and needs to continue to be supported by ongoing community partnerships and collaboration.

Financial, Staffing, Legal, or IT Considerations

Costs for the development and update of a County wide CSWB came from the Rate Stabilization Reserve. There still have been no funding announcements to support data collection, the implementation, review or the creation of updated plans.

At this time, many of the areas of work identified in the plan for implementation will continue to be addressed by existing committees and planning tables. However, resources will continue to be needed to continue this work. Those resources currently do not exist within the Community Services Department. Additional funding will be required to retain consultancy services, to continue to move forward with the plan, with a need to gather more data.

In Support of Strategic Plan Priorities and Objectives

Community- increase affordable and attainable housing options / support community well-being and safety through collaboration and partnerships/ explore opportunities to improve access to healthcare services

MESSAGE FROM THE CO-CHAIRS

We are very pleased to bring you the second annual report on the Community Safety and Well-being (CSWB) Plan for 2021-2024.

The tenets of Community Safety and Well-being are the foundations of vibrant communities. Whether you are just arriving, multi-generation residents, or visiting our beautiful communities, there are certain things that matter to all of us. Your community organizations, service agencies and governments have made a commitment to collaborate, share information and measure performance on the issues that the community has told us are most pressing at this time. Those issues make up the priority areas of the Dufferin County CSWB Plan 2021-2024.

In 2022, we continued to see challenges from the COVID 19 pandemic, but we also saw many successes. At the Integration Table we saw collaboration in real-time, ongoing integration of services in Dufferin County, broader community awareness and a growing number of partners at the table. This report highlights some of those successes, and the strong momentum seen this year on the Plan.

We would like to thank the individuals, partners, Lead Tables, and municipalities across the County for their efforts this year. Community Safety and Well-being work requires agility and attentiveness from many to be successful. Thank you for all that you do!

ONTARIO'S CSWB PLANNING

The Comprehensive Ontario Police Services Act, 2019 mandates every municipal council to prepare and adopt a Community Safety and Well-Being Plan. Under the legislation, municipalities have the discretion and flexibility to develop joint plans with surrounding municipalities. The municipalities in Dufferin are working collaboratively to develop a shared Community Safety and Well-Being Plan for all of Dufferin County.

As part of the legislation, the province mandated a number of requirements. Municipalities must:

- Prepare and adopt a Community Safety and Well-Being Plan.
- Work in partnership with a multisectoral advisory committee comprised of representation from the police service board and other local service providers in health/mental health, education, community/social services and children/youth services.
- Conduct consultations with the advisory committee and members of the public.

The Ontario Community Safety and Well-Being Planning framework operated as a guide in developing the Dufferin County Community Safety and Well-Being Plan. This framework focuses on collaboration, information sharing and performance measurement, and identifies four areas in which communities can be made safer and healthier.

- Organizational consultations - 20 interviews were conducted with community organizations.
- Inventory of Dufferin planning tables - an inventory of existing planning tables in Dufferin was also conducted. A total of 33 planning tables were identified.
- Local data dive - local data was collected to validate resident perceptions, to support ongoing discussions, and to create a foundation.

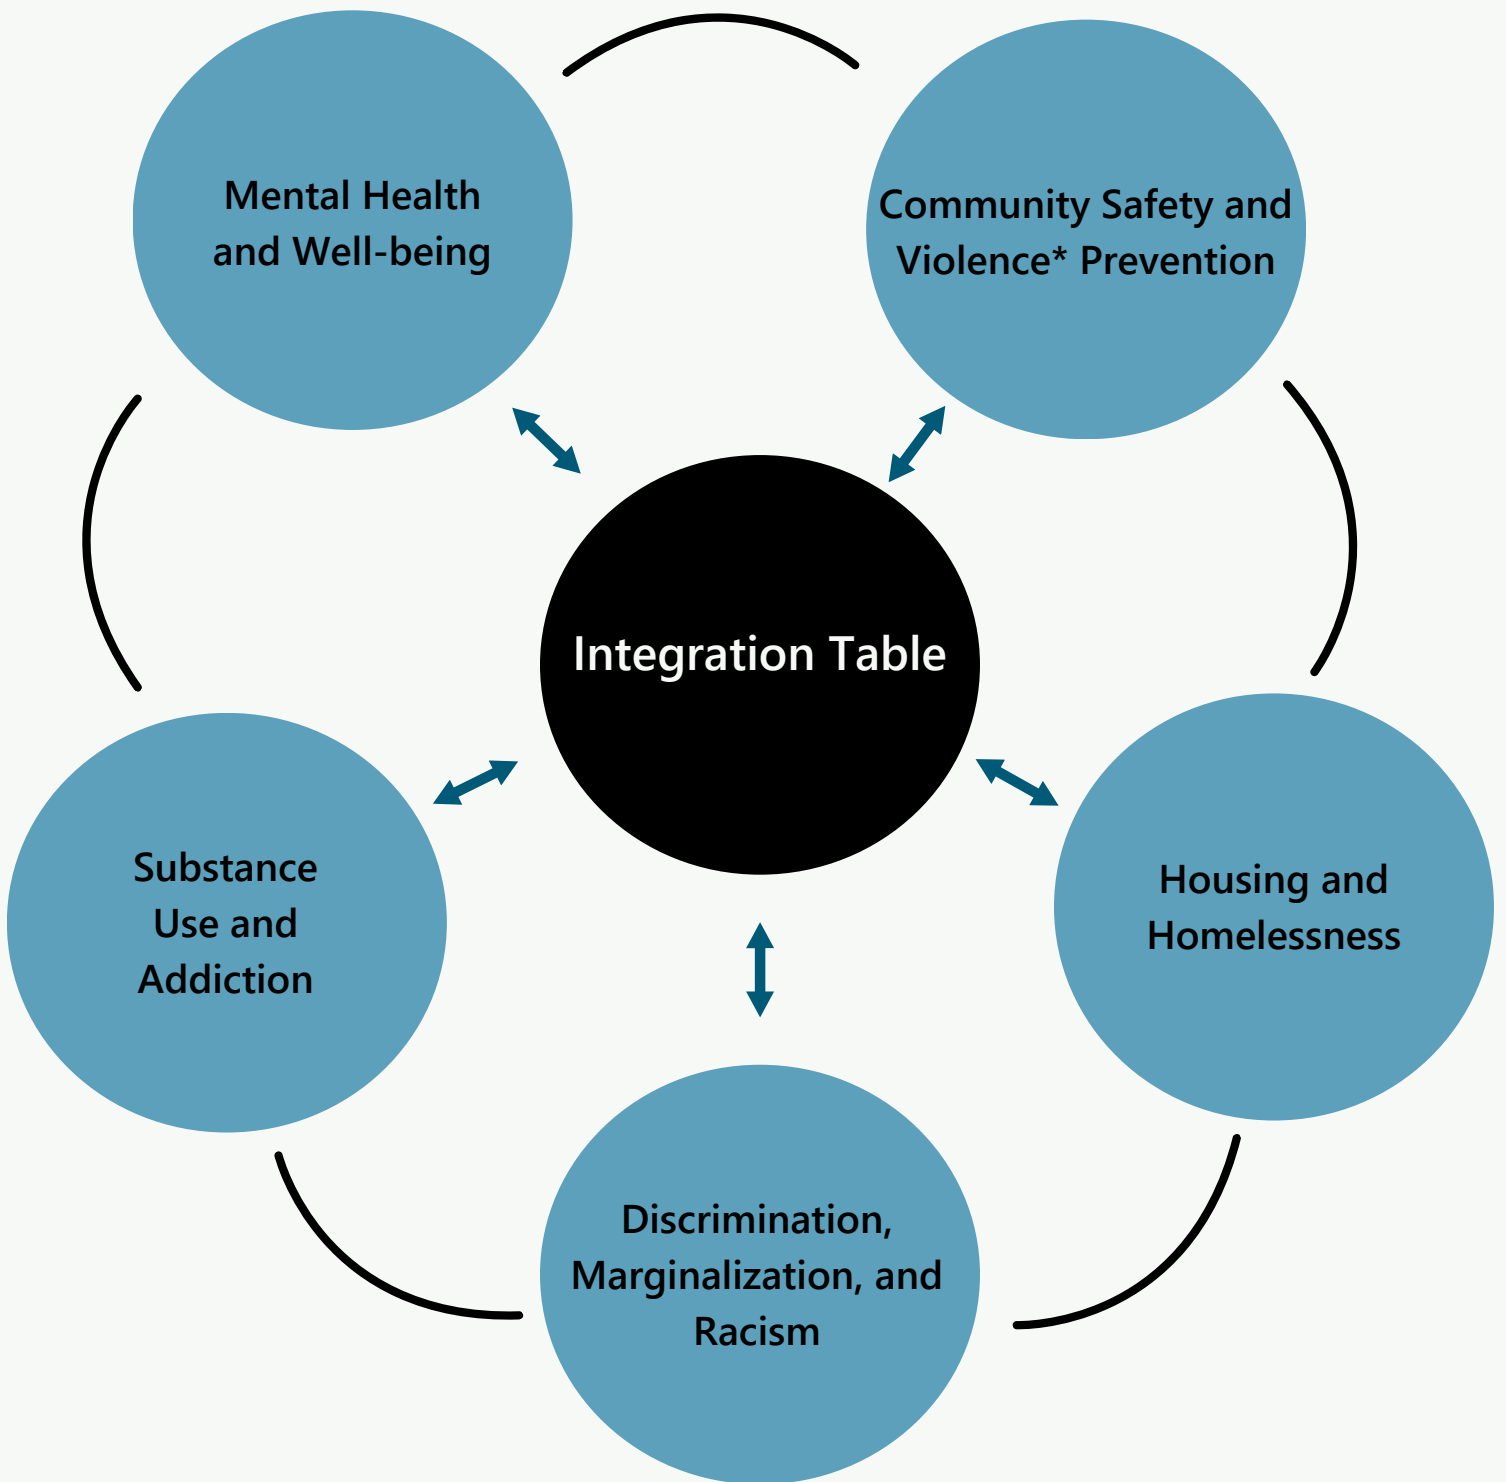

- Community consultation - a website was created to share information and to ensure residents were given the opportunity to participate in the plan's creation.
- Resident survey - residents were able to provide input into the plan through a survey. The survey was completed in late fall of 2020. A total of 471 responses were received from residents across Dufferin County.
- Youth engagement - an engagement session was held with youth in Shelburne to learn about their experiences and perceived risks to health and safety.
- Community organization consultation - community organizations were invited to participate in a survey to identify statistics they collect, local research that has been conducted, and priorities they would like to see reflected in the plan. A total of 20 organizations responded to the survey.

- The Advisory Committee reviewed all of the data and information that had been collected and identified five areas of focus for the plan:

1. Mental Health and Well-being
2. Housing and Homelessness
3. Substance Use and Addiction
4. Discrimination, Marginalization, and Racism
5. Community Safety and Violence Prevention

- The four-year plan was adopted in May of 2021. It will be reviewed annually.
- A structure has been established to lead the implementation of the plan, which leverages the use of existing tables in Dufferin, and ensures that there is an integrated response.
- A Lead Table has been identified for each of the priority areas. The existing Advisory Committee has converted into an Integration Table.

SUBSTANCE USE AND ADDICTION

Lead Table: Dufferin-Caledon Drug Strategy Committee.

About: The Dufferin-Caledon Drug Strategy started back in 2017 as a group of community agencies coming together to organize a local event in recognition of Overdose Awareness Day on August 31. At that time, the agencies felt strongly that something needed to be done to draw awareness and offer support to the community as the number of overdose related deaths were increasing and the "Overdose Awareness Day" Committee was formed. Over the years the Committee has stayed committed to increasing the community's awareness of the issue and morphed into the "Dufferin-Caledon Drug Strategy" in 2020 recognizing that the work needed to be broader than just organizing a one day event each year.

2022 Areas of Focus:

1. Community awareness and understanding of addiction.
2. Reduction of stigma.
3. Drug use safety.

Will continue discussions on this platform and its uses in 2023. • <u>Section 25.2 of the OHSA</u>: engaged businesses in the community and provided resources for workplace obligations (naloxone availability).
Reduce the stigma of addiction in the community.	<ul style="list-style-type: none"> • Overdose Awareness Day event featured a community BBQ, Health Fair (highlighting the various addiction services/resources available in the community) and powerful speeches from people with lived experience with the aim to decrease stigma that continues to exist around addiction. Three people spoke from their own lived experience with addiction (either personal use or impact of supporting a loved one).

DISCRIMINATION, MARGINALIZATION, AND RACISM

Lead Table: County of Dufferin Diversity, Equity and Inclusion Community Advisory Committee (DEICAC)

About: The County of Dufferin Diversity, Equity and Inclusion Community Advisory Committee (DEICAC) was created in October 2020 as a response to local incidents of anti-Black racism. The Advisory Committee to County Council was implemented very promptly, following in the wake of similar actions in municipalities that took place during the most recent wave of North American African, Caribbean and Black community civil rights organizing, characterized by the United States and Global Black Lives Matter movement. The mandate for the committee will be to advise County Council, make recommendations and provide a monitoring and measuring role to help ensure that the County applies a diversity, equity and inclusion lens to its policies, services and programs.

Report To: Chair White and the Members of the Health and Human Services Committee

Meeting Date: June 22, 2023

Subject: New Podcast Series “Merrily...Taking Early Years Conversations Upstream and Down”

From: Anna McGregor, Director Community Services

Recommendation

THAT the report of the Director, Community Services, titled New Podcast Series “Merrily...Taking Early Years Conversations Upstream and Down” dated June 22, 2023, be received.

Executive Summary

The County of Dufferin’s Early Years and Child Care Division is participating in the new podcast series project “Merrily...Taking Early Years Conversations Upstream and Down”. This is a community collaboration for municipalities to come together and build capacity within the early learning system and to change the narrative about the value and impact of child care and early years education, as a vital element in healthy and prosperous communities across Canada. Stephen Hurley, founder and producer of voicEd Radio, and Michelle Schurter, Millennial Strategist, are the co-hosts in this series of thought-provoking conversations.

Background & Discussion

In fall 2020, the Federal Fall Economic Statement included a one-time investment for the provinces and territories to support the attraction and retention of the early childhood workforce. The County received one-time funding to work towards this by addressing increased access to professional learning and creating the conditions for sustainable recruitment and retention of qualified Registered Early Childhood Educators (RECEs). The Early Years and Child Care division is dedicated to building respect for, and

understanding of, early childhood education and how crucial early childhood educators are to the workforce.

Knowing the value of early learning and care, County staff understand there is a shared obligation to make visible and public the multifaceted work and role of the early childhood educator.

This podcast series looks to offer the early learning and child care community conversations that inspire and open up new thinking, by taking the strategic approach of upstream and downstream conversations. This includes ‘upstream’ elements of RECE practice with conversations between early childhood educators and other thought leaders on topics that relate directly to early learning, and taking the conversations ‘downstream’ by bringing into conversation people from outside of the early learning and child care (ELCC) community to draw connections between their reality and the early years. This creates new allies and advocacy from those outside the ELCC community, to help amplify the value of early learning.

The intention is to provide new language and thinking for early childhood educators on how their work relates to other aspects of our towns, cities, and communities and reframing ‘what we do’ for the conversations early childhood educators have with parents, neighbours, and relatives. Early childhood educators are so much more than a service provided to take care of our youngest citizens.

The podcast episodes will always have a RECE who is working in the classroom or program every day, ensuring conversations are relevant for all early learning educators. The educator will be paired with a ‘thought leader’ from an early learning policy, program, research, or practice, to go deeper into a specific topic. The co-hosts, Stephen and Michelle, layer into this conversation a ‘mystery guest’ from outside the early learning sector, to highlight how another audience within society shares common ground and insight with the early learning sector. The goal is to release the first season of episodes early summer 2023, with conversations planned for future seasons in 2024.
