# HISTORIC DRIVING TOURS OF DUFFERIN COUNTY

MUSEUM OF  
DUFFERIN

Enjoy this snippet from a historic driving tour of Mulmur and Melancthon! Please note that the Museum of Dufferin historic driving tours feature European settler points of interest.

These landmarks were built on the traditional territory and ancestral lands of the Tionontati (Petun), Attawandaron (Neutral), Haudenosaunee (Six Nations), and Anishinaabe peoples.

## STOP 1

Starting at the Museum of Dufferin, turn right onto Airport Road and continue north through the villages of Stanton and Mansfield. The Village of Mansfield is named for the “manse in the field” - the home of Rev. Alexander Colqhoun. Continue North on Airport Road and make a left on River Road, heading towards Terra Nova.

The Mansfield General store was once a busy meeting point for locals! (P-1059 Museum of Dufferin Collection, ca. 1900)

# HISTORIC DRIVING TOURS OF DUFFERIN COUNTY

MUSEUM OF  
DUFFERIN

## STOP 2

In the 1880s this part of Mulmur was “discovered” by lumbermen and sawyers who cleared the area of trees. The village of Terra Nova (Latin for “new land”) was founded as a lumber camp. Continue straight along the road. You will pass Kilgorie and the Pine River Fishing area.

Two horses, a buggy, and a group of unidentified people sit near the edge of the Boyne River in Mulmur Township. In the background is Sawyer’s Mill. (P-3807-006, Museum of Dufferin Collection, ca. 1905)

## STOP 3

At the stop sign, pause to look around the village of Horning’s Mills, named for the seven mills that once operated along the banks of the Boyne and Pine Rivers that run through the village. Take a tour around and you’ll find the Horning’s Mills community hall and beautiful historic homes.

Horning’s Mills has always been known for their enthusiasm for baseball, pictured here is the women’s baseball team in 1929. (P-1444 B)

Little does he know that this strange and unusual plant will develop a soulful R&B voice, a potty mouth, and an unquenchable thirst for human blood. As Audrey II grows bigger and meaner, the carnivorous plant promises limitless fame and fortune to Seymour, as long as he continues providing a fresh supply of blood. Just when it’s too late, Seymour discovers Audrey II’s extra-terrestrial origins and true drive for world-domination.

### Disney's The Little Mermaid Jr.

**June 23<sup>rd</sup> – 25<sup>th</sup>**

87 Broadway, Orangeville

Beautiful mermaid Ariel should be a happy girl - she lives in an enchanted undersea country, her father is a King, and she has the most beautiful singing voice. But she is a passionate, headstrong teenager, and wants what she cannot have - to live on land. When she falls in love with a handsome human prince, Ariel is more determined than ever to gain a pair of legs. But her only option is to defy her furious father, and bargain with Ursula the Sea Witch, giving her voice as the price of entry onto dry land. With the help of Flounder the fish, Scuttle the seagull, and officious court composer Sebastian the crab, Ariel must wordlessly gain Prince Eric's love within three days -- or lose her soul to the ambitious witch! Based on the classic Hans Christian Andersen fairy tale, and the wildly popular Disney film, this musical staging of The Little Mermaid features a funny and fanciful book by Doug Wright, with the beloved score by Alan Menken, Howard Ashman, and Glenn Slater in an expanded but completely faithful form, featuring the rambunctious and persuasive "Under the Sea," the romantic expectation of "Kiss the Girl," and that anthem to longing and belonging, "Part of Your World."
